PROJECT SPOTLIGHT

Boutique Consulting Firm Drives Supply Chain Transformation

For this boutique consulting firm's events logistics client, undertaking a digital transformation for its supply chain was a matter of survival. To make sure they were delivering the best value to the client, the firm hired a well-rounded PMP-certified business executive with over 23 years of transformation experience on Graphite to lead the strategy and execution of this supply chain transformation.

PROJECT SPOTLIGHT

Consulting Firm Powers Enterprise Risk Management Transformation for Multinational Investment Bank

When this consulting firm faced a capacity gap on their team to build an enterprise risk management (ERM) framework for their client, they turned to Graphite to find the right expert for the project. After engaging their account executive (AE) and providing a detailed scope of work, the AE used their in-depth knowledge of the Graphite platform to hand-select and present experts within 48 hours.
